
 Notice to Parents 

Dear Parents/Guardians,

As we continue to prioritize the health and well-being of our students and staff, we kindly request your cooperation in an important matter.

In light of the ongoing health concerns, we kindly urge you to refrain from sending your child to school if they are not feeling well or if they have an infection that could potentially spread to other students.

We greatly appreciate your understanding and cooperation in helping us maintain a safe and healthy learning environment for all.

Thank you for your continued support.
